

International School of Broward

It is with great honor and excitement that I take on the additional role of Interim Principal. It is my hope to work with students, parents, faculty and staff to provide an innovative and enriching academic program that will prepare our students to become tomorrow's global leaders.

Teaching and assessing for learning within a safe and supportive environment remains my primary goal. I am committed to establishing a strong professional learning community which is essential in providing a balanced and solid educational foundation to our students.

It is with great pride that I announce that International School of Broward has successfully completed the SACS/AdvancED 5-year external review. Consequently, the External Review Team recommended to the AdvancED Accreditation Commission that our school earn the distinction of accreditation for a five-year term.

With the support and help of parents, students, faculty and staff, and board members, I promise to work hard to continue the legacy of the International School of Broward. It is my belief that by excluding others, our success is short-lived and our dreams remain small. By including others, we create a legacy that outlives us.

I welcome your input, please feel free to send me an email or pay me a visit.

Dr. Jacquelyne Hoy,

Proud Executive Director/Interim Principal
