

International School of Broward is serviced by RISE Education Management, LLC.

It is the mission of RISE Education Management to provide high-quality programming for high performing schools that serve students and families in a safe and nurturing environment where student success is driven by high expectations and high student achievement.

RISE Education Management REM schools are exceptional high-quality schools that focus on the art of teaching and the reward of learning. The REM focus is to ensure a challenging curriculum, highly qualified teachers and on point accountability to our stakeholders.

The management team has been developing and operating successful K-12 charter schools since 2003 throughout the state of Florida as well as in Arizona, Washington DC, Missouri, Georgia and Philadelphia, PA. REM provides full oversight and management for new charter school projects including application development, site development, curriculum development, staff development, assessment and data analysis, payroll, personnel & employee benefits management and financial services.

REM schools are Accredited through Cognia AdvancED, with International School of Broward being the only public school in Broward County that is authorized to issue I-20 applications for students to secure an F-1 visa to attend high school in the United States. Cognia accreditation enables each REM school to participate in the rigorous journey of school improvement and accountability. REM Services include Operations and Management Services, Facilities, Human Resources, Professional Development, Curriculum Development and Support, Budget Support and Oversight, School Planning and Development, Grants Management, Title I Management, budgeting and financial forecasting.
